Jabra PanaCast

Engineered to be the world's first intelligent 180° Panoramic-4K plug-and-play video solution*

Inclusive meetings.
Panoramic-4K video using three 13-megapixel cameras and patented real-time video stitching to give 180° coverage, for a more natural , inclusive view of the huddle room. The perfect partner for rich Jabra Speak audio.

Intelligent video technology.
Intuitive camera technology detects individual meeting participants and optimizes the field of view to include everyone in the conversation, while automatically optimizing video quality, even under varying lighting conditions, to provide a better viewing experience.

Instant collaboration.
Plug-and-play technology lets you collaborate with others quickly and easily, bringing hassle-free video and audio to your huddle room.

Versatile compatibility.
Compatible with all leading video- and audio-conferencing solutions. Certified for use with Microsoft Teams and works with Zoom, Cisco Webex and many more.

At a glance:
